SELFIEGOLF COLLECTION 2019

We are golf enthusiasts who are always trying to find ways to improve our game. We believe you can't do that without knowing your habits, your swing, and, ultimately, yourself.

Thus, SelfieGOLF was born with the mission to give you a window into you. So that golfers all around the world can reach their maximum potential.

SelfieGOLF Golf Swing Training Analyzer provides a steady and convenient golf swing recording system by letting you clip your mobile phone on your golf bag! You can capture stable footage, playback and review your swings as many times as you need until you see every detail you need to improve!

Lucky SelfieTOTEM

SECURE YOUR HEAD
COVERS IN STYLE!

Our latest innovation, the Lucky SelfieTotem is designed like a horseshoe, a lucky symbol!

Hang it on your pocket so you can attract fortune and good breaks anywhere, anytime!

SelfieSPINNER

Equipped with seven unique functions, this one item takes the place of several. All you need is one.

Calm your nerves with fidgeting. No matter where you are, on the course or on the range, you can keep your hands occupied while waiting to hit your turn.
